

Invitation: Mock Arbitration | Vienna 2023

Focus on Expert Witnesses

Date: 26 April 2023
Time: 16:30 – 22:00
Location: PwC, Donau-City-Straße 7 | 1220 Wien

Background Information

Young lawyers rarely have the chance to practice their cross-examination skills. This event provides the opportunity to **train these important skills in a Mock Arbitration side by side with experts from PwC. High-profile arbitrators support the development of your professional expertise** by assessing the effectiveness of the examinations and offering useful tips.

Teams of two participants acting as counsel and one PwC expert will, in self-study, analyse the Mock Arbitration-case materials and prepare their cross-examination strategy. On the day of the 'hearing', they will cross-examine the opposing team's expert and make closing arguments in front of panels of experienced arbitrators from Vienna's top arbitration law firms.

The workshop will be followed by **Drinks and Canapés** as an opportunity to network and share experiences from the day.
